- Oversight of the maintenance and implementing ships I.S.M Management System.
- Crew members Supervisor for the safe docking of the ship.
- A lead performer in reducing the vessel's environmental impact.

2001 – Present Technical staff of Aegean University. His basic responsibilities were following :

- for operation and safe navigation of D.M.S Research Vessel

Teaching activities in Coastal Navigation field, and field scientific instrument's handling.

Assisting - Teaching Experience :

Specialized Technical and Laboratory Staff, Captain, in Department of Marine Sciences, University of the Aegean.

2001- Today. Organizer and teaching Assistance in the Laboratory of the Coastal Navigation to 1st Semester Students.

2002 – Today Organizer and teaching Assistance in the Laboratory of the Samples received and elaboration procedures to 2nd Semester Students.

2005- Today Participation in Sedimentology laboratory as Research Vessel Captain, responsible for the safe operations.

2012 Organizer and teaching Assistance of the Marine Ecosystems Laboratory to 2nd Semester Students of Environmental Department.

Administrative tasks : *Department of Marine Sciences (2001-today)*

2001- Today Responsible for vessels Safety Certificates renewing.

2004- Today Organize and Configuration of Vessels Cruise Manual according to “ Safety University-National Oceanographic Laboratory System Research Vessel Standards “

2001-Today Invoices handling and archive keeping

2001-Today Grade Book keeping for laboratory field exercises.

Research – Projects : (Selective) R/V Amphitrite Captain

- 2004 -2005 Participation in Research Project “THALATTA”
 2006 Participation in Research Project “MEDPOLL III”
 2005-2006 Monitoring the quality of the coastal area of the town of Mytilene (NE Lesvos) after the functioning of the Waste Water Treatment Plant (WWTP), (Municipality of Mytilene, 2002-2005).
 2007 – 2008 Participation in Mytilini Municipality Project
 2007 – 2008 Participation in Research Project “Design of artificial Beaches and related offshore breakwaters along the Eastern Coast of Lesvos, Greece.
 2007 – 2008 Participation at Project “Aqua planner”
 2008 Participation in Research Project “Assessment of immigration pattern of medium and large pelagic fish species in the Aegean Sea based on fishing activity and environmental parameters through satellite imagery”
 2008 Participation at Research project “DIAVLOS”
 2014-2015 Participation in Research Project “Cross Border Cooperation for Maritime Spatial Planning Development “ The objective of the participation was the Enrichment/Updating the data bases as it concerns the digitization of Islets, Rocks, Reefs, Wrecks, Submerged pipelines, Cables, Anchorages, Marinas.

Publication in Greek Conference 11o Oceanography & fishery Symposium 2014

- Soft substrate diascope in Gera Gulf
 March 2015 Manoutsoglou E., Hasiotis T., Velegrakis A., Hatzilias N.

Educational – Programs (Selective) : R/V Amphitrite Skipper

- 2006 - 2012 Participation in Educational programme «*Studies Abroad Students of Fisheries and Wild field Department of Michigan State University.*»
 2006 Participation in “Aegean University Environmental Education Programme”
 2008 -2011 Participation in Post Graduation Programme “ BIODIV “
 2013 Participation in Educational programme “ STUDENTS PROJECT 2013”

Training - Seminars

- January 1990 Training Certificate in general operator of Global .Maritime Distress .Safety. System (G.M.D.S.S)
 March 1994 Training Certificate in Tankers Crude Oil Cleaning Procedures.
 April 1994 Training Certificate in Crude Oil Tanker Safety.
 May 1995 Training Certificate in Chemical Tankers Safety Operations.
 June 1996 Training Certificate in Framo Cargo Piping System Operation.
 July 1996 Training Certificate in Electronic Navigation Instruments

- June 1998* Training Certificate in use of Automatic Radar Plotting Aids (A.R.P.A) in accordance with the provisions of the International Conventions S.T.C.W 1978 as Amended in 1995.
- July 1998* Training Certificate in Medical Care.
- February 1999* Training Certificate in use of Breathing Apparatus Rescue from Enclosed Spaces, hazardous atmosphere monitoring, accident prevention management.
- May 1999* Training Certificate in Personal survival techniques, Fire prevention and fire fighting, Elementary first Aids, Personal safety and social responsibilities, Proficiency in fast rescue boats, Advanced fire fighting , Proficiency in medical care.
- June 1999* Training Certificate in Ro/Ro Passengers (ships safety) in accordance with the provisions of the International Conventions S.T.C.W 1978 as Amended in 1995.
- March 2000* Training Certificate in Bridge Recourse Management and Passage Plan
- October 2004* Training Certificate in Hydro acoustic equipment in fishery and marine biology research.
- May 2006* Participation in HELMEPA training programme “Meeting the Challenge of Safe, Secure and Efficient Ships in Clean Seas.
- June 2007* Participation in HELMEPA training programme “Optimization of shipboard Operation for Environmental Protection, Safety and Securing at Sea.
- January 2014* Participation in Marathon Data System Seminar “Web Geographical Information System (webGIS) carried out at Marine Science Department.
- March 2014* Participation in “Accoustic Processing 4 Dimensions” Fledermaous The objective of the semimar was Data acquisitions and processing data flow, how to go through QINSy, Fledermaus and finally into ArcGIS , how to produce 4D videos.
